Dear Mr. Ryan: *Re: U.S. v. Soobzokov*

This letter concerns our recent discussion concerning two documents which were found in the files of the Central Intelligence Agency: a State Department operations memorandum dated 5 August 1953; and a "Form V-30" dated 19 August 1952. In our previous conversations, it was represented that the operations memorandum served as a transmittal letter for the Form V-30 and that both forms were received from the Department of State in August 1953. Although the similarity of the information in the forms and the marginal annotations to the operations memorandum would suggest that this is a credible possibility, our files do not indicate that the documents were ever joined together, nor do our files give any explicit indication of how, when and from whom we received the Form V-30. Accordingly, CIA cannot attest that the Form V-30 was received prior to Mr. Soobzokov's entry into the U.S. or prior to his naturalization.

Sincerely,

E J.
